Modular Classrooms

Barry Greenfield has reached out to several modular school vendors and he scheduled a conference call with the team on Friday, 2/28 with one of the vendors. Hill has forwarded information on the current Schematic Design to this vendor and we are awaiting additional information.

Outreach Plan

MVG's landscape architect is working on the slides for the powerpoint presentation for the next public forum. One of the slides in the power point presentation will need to address what happens if this project does not get enough votes in June.

The SBC scheduled the next public forum for Thursday, March 13th at 7PM at the Middle School Library. The meeting will be posted, and notices will be emailed out to the residents, as well as a roll call. SBC will contact the newspapers to inform them of the updated status of the project.

MSBA Scope and Budget

Hill will be submitting the response to the MSBA cursory review comments sent on February 18th. The team will be attending the MSBA Scope and Budget on Friday, March 7th.

Next Meeting:

The next School Building Committee meeting will be held on Tuesday, March 11th at 7:30AM in the Middle School Conference Room.
